UPDATE: NUMSA UNPROTECTED STRIKE

York shareholders ("**Shareholders**") are referred to the announcement published on SENS on 13 May 2022, wherein York advised that certain employees of the Company, affiliated with the National Union of Metalworkers of South Africa ("**NUMSA**"), embarked on a strike at York's Escarpment operations ("**Strike**") from 25 April 2022.

The Labour Court confirmed the Strike as unprotected on 7 June 2022, whereafter ultimatums were issued for employees to return to work. Disciplinary hearings were held, and sanctions were handed down for employees who did not return to work.

Shareholders are advised that operations at the Company's Escarpment facilities have been reinstated (albeit not yet at full capacity).
